# Pediatric Clinic

Hennepin County  
Medical Center

Hennepin County  
Medical Center

**Who we are** The Pediatric Clinic at Hennepin County Medical Center is a primary care and multi-specialty clinic located in the heart of downtown Minneapolis. We are an expert group of pediatric doctors and nurses providing top-notch and cutting edge care for infants, children, teens and young adults. We offer routine services including well child exams and vaccinations as well as care for when your child is sick. Because we are also a multi-specialty clinic, we have experience and expertise in treating a wide variety of serious and life-threatening health conditions.

**What we offer**

**Services**  
Primary care (*well child care, newborn, child and teen check-ups*)  
Acute care (*sick child or teen care*)

**Specialties**  
Cardiology *heart conditions*  
Craniofacial/plastic surgery  
Child abuse/maltreatment  
Dermatology *skin problems*  
Developmental/behavioral *mental health problems*

Growth and nutrition *growth, overweight and underweight problems*  
Infectious Disease and Travel Medicine *complicated infections or for those traveling to other countries*  
Lactation *breastfeeding*  
NBICU follow-up clinic *addresses the need of premature babies as they grow*  
Pulmonology *lung or breathing problems*  
Sleep  
Surgery  
Urology *disorders of the genitals and urinary systems*

**Other services**  
Because Hennepin County Medical Center is a large hospital offering multiple specialties of care, other services on campus include: ear, nose and throat (ENT); ophthalmology; dentistry; obstetrics and gynecology; pediatric orthopedics; occupational therapy; speech therapy; physical therapy; and child psychology.

**We can help** Trained interpreters are available in over 20 languages to help you and your child communicate with your care team.

**Paying for your care** We accept most major insurance plans. For those without insurance, financial counselors are available to discuss billing options. The staff can also help you learn more about qualifying for public assistance.

**Your appointment** Please arrive at your appointment 15 minutes early.
