Centered Around You

Weight Loss Surgery

The Hennepin Bariatric Center is a team of health care providers committed to helping you achieve your weight loss goals. Our center provides a comprehensive weight loss program, all under one roof. The program includes:

- Experienced **surgeons** who perform laparoscopic Roux-en-Y Gastric Bypass, LAP-BAND and Sleeve Gastrectomy
- Full-time **internal medicine physician** specializing in obesity care
- Dedicated obesity **nutritionists** and clinical **psychologists**
- Full-time **obesity program nurse** to help improve your care and education
- Dedicated **program clerical staff** to handle your phone calls and scheduling needs
- Comprehensive **aftercare program** including monthly support group

Summary

The Hennepin Bariatric Program is tailored to fit your needs. Our goal is to provide you with the safest and most effective solution possible to address your weight problem.

We are a center of excellence with committed resources and personnel dedicated to providing **high quality, dignified care** to the obese patient.
